An increasingly common conversion is to fit a 3SGE Beams engine into a Corolla or Sprinter. While they do take more effort than putting in something such as a 4age 20V, there are some significant advantages in doing so. Covered here is a collection of information for those considering and undertaking the conversion.

Altezza Manual Conversion

Hey Altezza Club, heres a post I am going to create about doing a manual conversion on your Altezza. As the years go by and more people wrap Altezza s around poles and are damaged in natural events such as the Christchurch earthquake I believe it will become more affordable to buy a automatic Altezza and do a manual coversion.
