*China between Empires: The Northern and Southern Dynasties* ...

While acknowledging its limits, I have adopted a modified Chinese name—the Northern and Southern Dynasties—for two reasons. First, this designation simplifies the native terminology by recognizing that the political world during these four centuries was defined by a split between the drainage basins of China's two major rivers.

*Northern and southern China - Wikipedia*

Mark Edward Lewis's research deals with many aspects of Chinese civilization in the late pre-imperial, early imperial and middle periods (contemporary with the centuries in the West from classical Greece through the early Middle Ages), and with the problem of empire as a political and social form. His first book, Sanctioned Violence in Early China, studies the emergence of the

*China between empires : the northern and southern* ...

<p>After the collapse of the Han dynasty in the third century CE, China divided along a north-south line. Mark Lewis traces the changes that both underlay and resulted from this split in a period that saw the geographic redefinition of China, more engagement with the outside world, significant changes to family life, developments in the literary and social arenas, and the introduction of new ...

Northern China (Chinese: 北方 or 北边; lit.: 'China's North') and southern China (Chinese: 南方 or 南边; lit.: 'China's South'), are two approximate mega-regions within China.The exact boundary between these two regions is not precisely defined. Nevertheless, the self-perception of Chinese nation, especially regional stereotypes, has often been dominated by ...
