To order wallpaper for walls, you first have to measure the width and height of the wall you would like to decorate. Want a continuous pattern on more than one wall? If you want the pattern to continue from one wall to the next, simply add the widths of each wall together and add 2 inches (5cm's) for each corner for leeway, then use the highest height for your height measurement.

### Designer Wallpaper For Walls

Wallpaper accent wall is a new trend and we at Designer Wallpaper have a solution - modern and stylish non-woven wallpaper from leading European designers for any taste and styles to choose from - from traditional to contemporary and futuristic, plain and textured, colorful or paintable. Here you always can choose a wallcovering that will brighten your room even on the darkest, coldest day.
