I'm not particularly in the market for a bass, but I do like the older SoundGears and thought I'd inspect this one. It's Korean, and from what I remember of the SN it was either 2003 or 2005. It's either black or dark grey, no damage or nicks, just a zillion light pick scratches which should polish out easily. ... I've kept the Ibanez and sold ...

It just has SDGR on the headstock. No numbers referring to a model. I looked up the serial number and it was made in Japan in 1991. That is all I could find. Nothing to explain the control pots. Web searches always brings Ibanez basses with other model numbers but nothing with just SDGR on the headstock. Any info would be much appreciated.
