~~GUIDELINES FOR PROJECT WORK FOR SEMESTER IV STUDENTS~~

After choosing the skills or content that you would like to be the focus of your project, build guidelines that support student individuality and creativity. Instead of making a list of specific questions with specific answers (such as 'what is the habitat of the grizzly bear' questions), lead students towards more open-ended answers in ...

~~Science Fair Project Guide~~

The alignment of business and information technology (IT) is essential for enterprises to sustain their competitiveness. Our mission is to teach about and research the models, tools and methods necessary to reason about alignment.

GRANTS FOR ARTS PROJECTS Guidelines: Application Calendar. There are two Grants for Arts Projects application deadlines. Note that some disciplines only accept certain project types at each deadline; see the guidelines for your project's discipline for more information.

~~Animal Habitat Project for Elementary Students | HubPages~~

Beginning with the Class of 2020, high school students (current 9th, 10th, and 11th grade students) must complete 2 classroom-integrated service learning projects. Service learning projects should not be one-offs; they must be linked to academic goals and curriculum and should build civic skills through centering student voice and identity.
