Sex and Character : Otto Weininger : 9780253344717

Author's Preface. This book is an attempt to place the relations of Sex in a new and decisive light. It is an attempt not to collect the greatest possible number of distinguishing characters, or to arrange into a system all the results of scientific measuring and experiment, but to refer to a single principle the whole contrast between man and woman.

Sex and Character, by Otto Weininger

produced a work so mature in its scientific character, and so original in its philosophical aspect as "Sex and Character" when he was no more than twenty-one years old. We will not attempt to decide whether this was the case of a genius, who, instead of developing his intellectual powers gradually in the course of a lifetime,
