The major difference between free and Pro version is the ability of SketchUp Pro to import from and export into AutoCAD. If you really want to import AutoCAD drawings, you could download the SketchUp Pro version for an 8 hour trial, import the AutoCAD drawing, and just not follow through with your purchase. The earlier version, SketchUp

Launch SketchUp on each machine or ask your users to open SketchUp Pro. In the Welcome to SketchUp dialog, click the License tab. The serial number and authorization code should be pre-populated in the fields, saving the user from typing anything. The user will need to click on the Add License button to complete the operation on launch.
