Operators Manual Solution 862 Disarming The System When you enter the premises after the system has been armed in AWAY Mode, or if you have armed the system in STAY Mode 1 or STAY Mode 2, you will need to disarm the system before entry time expires to disable detection devices that will activate an alarm.

Solution 862 alarm help - Home

I currently have a Solution 862 alarm, that has not been connected to power or had a battery for at least 2 years. I don't have the master code. With it being disconnected for so long, what are my chance of the settings being "default", so I can set it up again??? I have the installer manual etc, but there is nothing mentioned about that
