A Critique of David Harvey on Imperialism—Radical ...

An Imperialism Denier. David Harvey, author of The New Imperialism and other acclaimed books on the history of capitalism and Marxist political economy, is an imperialism-denier who uses his considerable prestige as a prominent Marxist theoretician to miseducate his readers on the single-most important issue confronting Marxist political economy: the huge drain of value and surplus-value from the global South (in which I include low-wage countries in East Asia) to the imperialist centers, a ...
