The Other Side is just as beautiful as the photos. We loved the quiet laid back atmosphere and took full advantage of the amenities such as paddle boarding (with sea turtles swimming alongside), games, and ability to use the chairs/umbrellas of the sister resort on Harbor Island's gorgeous pink sand beach.

The Other Side of Coney Island. By. Carolina Moya - July 24, 2018. It was Helin Bereket 's first time in Coney Island. She hadn't planned on visiting. It was late winter, after all, which meant it was off-season for the famous Brooklyn beachside amusement park. Still, Helin had hoped to see a few operating rides or a cotton candy stand ...

~~The Other Side Of Island~~

"A dark vision rendered in wonderful and imaginative detail, The Other Side of the Island is a cautionary tale that will likely be embraced by left-leaning, politically aware and environmentally conscious teens and adults alike, regardless of whether or not they read sci-fi."

small secluded beach, populated only by swaying palms, our tents, shacks and salad garden. The property provides privacy and seclusion, but also proximity to the quaint town of harbour island and to the vast beautiful expanse of eleuthera.

~~The Other Side of the Island by Allegra Goodman~~

The Other Side of the Island is dark but shot with sly humor, and the narrative grows increasingly satisfying as Earth Mother's web of conspiracies and denial unravels. Goodman has written a bracing, exhilarating novel that manages to be both subversive and optimistic.

it seems.

~~The Other Side of the Island: Allegra Goodman ...~~

The Other Side of the Island. First paragraph chapter one: All this happened many years ago, before the streets were air-conditioned. Children played outside then, and in many places the sky was naturally blue. A girl moved to a town house in the Colonies on Island 365 in the Tranquil Sea.

~~The Other Side of Coney Island - Passion Passport~~

A gripping and beautifully written dystopian page-turner from New York Times bestselling author and National Book Award finalist ALLEGRA GOODMAN. In the eighteenth glorious year of Enclosure, long after The Flood, a young girl named Honor moves with her parents to Island 365 in the Tranquil Sea. Life on the tropical island is peaceful--there is no sadness and no visible violence in this world.
