The Shield of Achilles: War, Peace, and the Course of History Philip Bobbitt, a historian of nuclear strategy who has served in the White House, the Senate, and the National Security Council, brilliantly addresses the transformation of the nature of war and, with it, developing changes in statecraft as profound as history has yet seen.

The Shield of Achilles | Modern American Poetry

The Shield of Achilles is the shield that Achilles uses in his fight with Hector, famously described in a passage in Book 18, lines 478-608 of Homer's Iliad. The intricately detailed imagery on the shield has inspired many different interpretations of its significance, with no definitive answer. In the poem, Achilles lends Patroclus his armor in order to lead the Achaean army into battle. Ultimately, Patroclus is killed in battle by Hector, and Achilles' armor is stripped from his body and ...
