Wrack James Bradley Discovery

I liked the metaphor of maps and discovery not only for our vast mysterious continent of Australia but also as a guide to some place even stranger- the human heart. I wouldn't call it truly crime, nor history nor romance but it is a voyage in Bradley's ship of dreams that is well worth taking.

James Bradley's Wrack : study notes for area of study ...

WRACK is a superb tale that mixes the sixteenth century European age of discovery and a fifty-year old murder mystery into a noteworthy contemporary search for self worth. Even though the climax seems a bit contrite, the subplots blend together into a fast-paced tale that makes the two historical periods seem as alive as the present.

Determined to understand its connection to the ship

Wrack by James Bradley - free PDF, EPUB eBook

Character analysis on the book "Wrack" by James Bradley Essay Sample * Arrogant - "I need the ship. You understand that don't you? I need to find it." * Obsessive -" desire for the ship almost sexual, eating at him, coiling low in his abdomen" * Archaeologist

Wrack (novel) - Wikipedia

Bradley intercuts Norfolk's actions with accounts of early Portuguese and Spanish rivalries south of the equator, and with tales of early map-making—arguably the most entertaining part of the book. Norfolk's quest seems minor by comparison, as does the man himself. With his funding run out, he discovers a corpse on the last days of his dig.
